Dear Sir:

Pursuant to my conversation with Examiner John Kelly, on June 25, 2002, and in response to Advisory Action mailed on June 20, 2002, please consider the following arguments in support of a request to reconsider the After Final Amendment submitted on June 7, 2002, pursuant to 37 CFR § 1.121 and § 1.116(b).

ARGUMENT

The Applicant submitted the After Final Amendment of June 7, 2002 in direct compliance with the Examiner's suggestion to put the claims in better condition for review. The amendments are provided to "correct" the improperly amended claims 3, 4, 6, 10, 11, 13, 26, 27, 31, 32, and 34 in the previous response of February 14, 2002. The proposed amendments do not introduce new matter or new issues of patentability and as such do not require further analysis and search. Thus, entry of the corrections is hereby requested.

DRAWINGS

Formal drawings were submitted to overcome the Draftsperson's objections under 37 CFR 1.84 or 1.152, on February 14, 2002. During my conversation with the Examiner today, however, the Examiner informed me that the file did not include the submitted drawings. Another copy of the formal drawings is submitted via United States Mail.

CHANGE OF ADDRESS

A notice of Change of Address was submitted on June 7, 2002, however, according to my conversation with the Examiner, it was not entered in the United States Patent Office records. In compliance with the Examiner's request a copy of the same request is provided again via facsimile. The following address is the proper mailing address:
